## Congress of the United States House of Representatives

March 11, 2021

Dear Colleague,

I am writing to invite all students in grades 9-12 to participate in the 2021 Congressional Art Competition.

Each spring, a nationwide high school arts competition is sponsored by Members of the U.S. House of Representatives. The Artistic Discovery Contest is an opportunity to recognize and encourage artistic talent in our Congressional District and across the country. It is open to all high school students in the 24<sup>th</sup> Congressional District, and the winning piece of artwork from our district's competition will be displayed for one full year in the United States Capitol in Washington D.C.

All entries must be submitted to one of my four District Offices no later than **April 23, 2021**. Submitted entries will be judged by a panel of accomplished artists from our four-county district. I have included my office addresses and phone numbers below.

For your convenience, I have included information regarding the competition's rules and a release form for students. Each student applicant and his or her parent or guardian must sign the release form and attach it to the back of the submitted artwork. **Please limit submissions to one per student.**

I am excited about this wonderful opportunity for your students and I look forward to seeing the creativity in my district!

Sincerely,
